

Thank you for your interest in contributing to the Explore Eau Claire Welcome Basket initiative! Your donations help us create a warm, welcoming experience for newcomers while promoting local businesses. To ensure sustainability and reduce waste, we kindly request that donated items meet the following guidelines:

Preferred Donation Items

- Locally Made Shelf-Stable Goods
 - Coffee, tea, cocoa with long shelf life
 - Snacks & beverages
- Gift Cards or Vouchers
 - For local restaurants, coffee shops, or stores
 - Tickets or passes for local attractions or experiences
- Branded Merchandise
 - Small reusable items like mugs, water bottles.
 - Hats, small totes, stickers

Packaging Guidelines

Items should be compact and able to fit comfortably in a 13" x 13" box. Avoid fragile items or those requiring refrigeration or special handling.

Shelf Stable Requirements

All donated items must be shelf-stable and have an expiration date at least 1 year out from the donation date. This ensures that items remain usable for multiple welcome baskets, even if provided in bulk.
